en gold

The Esta Floor Mirror, a large statement feature for your space. The Spanish Beige Marble frame creates a bold statement in its appearance whilst the organic profile and medium adds an exploration of shape and dimension. Each hand-aligned tile highlights the natural variation and character of the stone, creating a functional yet beautifully imperfect finish designed to be enjoyed for years to come.

Designed to place on floor, leaning vertically on wall.
Wall fixings are not included; we recommend a professional installer secures it to the wall with fixings to suit your wall finish.
