

Isla Oval Dining Table | Spanish Beige Marble

The Isla Oval Dining Table is reimagined in Spanish Marble, combining a refined hand-tiled surface of Spanish Beige Marble with organically textured stone bases. The elongated oval top showcases the subtle tonal variation and natural movement unique to Spanish Beige Marble, while the hand-applied tiled construction highlights the craftsmanship behind every surface. Beneath, two substantial cylindrical bases feature a richly textured finish, celebrating the imperfect beauty and tactile character of natural stone. Available in 240cm and 300cm sizes.

Assembly required.

- Materials:
- Spanish Beige Marble
 - Marine Grade Plywood frame
