

Isla Round Dining Table | Spanish Beige Marble

The Isla Round Dining Table is reimagined in Spanish Marble, pairing a hand-tiled surface of Spanish Beige Marble with a sculptural stone pedestal base rich in organic texture. The generous round top showcases the soft tonal variation, movement, and depth unique to Spanish Beige Marble. Hand-applied stone tiles create subtle texture across the surface, while the rounded edge profile lends a sense of softness and balance to the substantial form.

Assembly Required. Available in 130cm and 160cm sizes.

- Materials:
- Spanish Beige Marble
 - Marine Grade Plywood frame
