

Myrrh Bed Frame, Single

en gold

The Myrrh Bed brings sculptural artistry into the bedroom with En Gold's signature hand-carved wood detailing. Featuring bold twisted pillars that frame a streamlined timber headboard, the design blends strength, craftsmanship, and refined simplicity.

Handcrafted from solid wood, the Myrrh Bed celebrates organic texture and form while offering durability and timeless appeal. Its statement silhouette anchors the bedroom with a sense of grounding presence, yet its clean lines allow it to harmonize with both contemporary and classic interiors. Available in Single size.
