

Paradis Floor Mirror | Spanish Beige Marble

An En Gold design favourite, the Paradis Mirror is a sculptural statement piece for the home. Crafted entirely from solid Spanish Beige Marble, its bold form is softened by gentle curves, offering an exploration of shape, weight, and presence. The natural variation of the stone brings warmth and depth, creating a striking focal point while maintaining a timeless, grounding quality.

Designed to rest on the floor and lean vertically against the wall.

No assembly required.

Wall fixings are not included; we recommend a professional installer secures it to the wall with fixings to suit your wall finish.
