

Paradis Oval Dining Table | Spanish Beige Marble

Reimagined in Spanish Beige Marble, our Paradis Oval Dining Table features a sculptural pedestal base paired with a rounded-edge, smooth marble tile top, offering a warm, organic surface for everyday living and shared meals. Each hand-aligned tile highlights the natural variation and character of the stone, creating a functional yet beautifully imperfect finish designed to be enjoyed for years to come. Assembly required.

Available in 240cm and 300cm sizes.
Top surface finished with a protective sealer to help guard against staining and etching.
