

Sable Ottoman

Available in:

Woven Ivory

Mushroom Velvet

The Sable Ottoman complements the lounge chair with its gentle, rounded form and understated presence. Handcrafted with the same attention to detail, it features subtle tucked fabric detailing that adds a sense of depth and refinement to its sculptural shape. Offering versatile comfort, it serves beautifully as a footrest, extra seating, or a standalone accent. Though sold separately, the ottoman pairs effortlessly with the lounge chair to complete a sanctuary of ease.

This product is crafted to meet commercial-grade standards.
